<sup>1</sup> “Indirect Seller Plaintiffs” refers to the Class that was recently transferred to this Court in *Specht et al. v. Cargill Incorporated et al.*, Case No. 22-cv-2903. (Certified Copy of Conditional Transfer Order, Nov. 15, 2022, Docket No. 75.)

matter of the actions in this MDL is transferred from another Court; coordinate the initiation and conduct of discovery and other activities on behalf of Plaintiffs; receive and distribute notices, orders, motions, and briefs on behalf of the group; coordinate settlement discussions or other dispute resolutions on behalf of Plaintiffs; delegate specific tasks to other Plaintiffs' counsel in the matter to ensure that pretrial preparation is conducted effectively, efficiently, and economically; monitor the parties' activities to ensure schedules are met and unnecessary expenditures or time and expense are avoided; enter into stipulations with opposing counsel as necessary for this action; prepare and distribute periodic status reports to the parties; encourage full cooperation and efficiency among all Plaintiffs' counsel; submit, if appropriate, additional committees and counsel on behalf of Plaintiffs for designation by the Court; and perform such other duties as may be incidental to proper coordination of Plaintiffs' pretrial activities or authorized by further order of the Court.

## II. MASTER CONSOLIDATED COMPLAINT

In Pretrial Order No. 1, the Court asked the parties to submit their positions on requiring the DAPs to submit a Master Complaint, which the Defendants then must answer or otherwise respond to. (Pretrial Order No. 1 at 12, Oct. 4, 2022, Docket No. 21.) The parties then argued their positions at the October 18, 2022 status conference. The Court has thoughtfully considered the parties' positions and will require the DAPs to submit a Master Complaint.

Several DAPs have joined this action since October 18, 2022, and the Court anticipates that more actions will be consolidated in the future. Therefore, the Court finds it helpful for the DAPs to file a single consolidated complaint. Current MDL DAPs<sup>2</sup> shall file a single Master Complaint in this MDL within 60 days from the entry of this Order. Defendants agree to accept service of process for the consolidated complaint by ECF or by email. Defendants will answer or otherwise respond to MDL DAPs' consolidated complaint within 30 days after the filing of the Master Complaint.

Within 60 days from the entry of this Order, the parties shall file a proposed order (1) governing the process by which any future MDL DAP shall join the Master Complaint, including a proposed short-form complaint if appropriate, and (2) governing the process by which Defendants shall answer or otherwise respond to complaints filed by any future

---

<sup>2</sup> "Current MDL DAPs" refers to the Direct Action Plaintiffs in all cases that have been transferred to this Court as part of this MDL proceeding as of the date of this Order.

MDL DAPs (or by which their prior answer to the Master Complaint shall apply to complaints filed by any future MDL DAPs).
